

Internship Program
Sigma Chi International Fraternity Headquarters

Information Technology Intern – Job Description

Department: Information and Technology

Immediate Supervisor: Chief Information Officer

Job Description

Under the direction of the chief information officer, the information technology (IT) intern will have the unique opportunity to gain in-depth experience in an IT department, evaluating current IT infrastructure while proposing and implementing improvements for the current and future improvement of organizational technology needs. The IT intern will develop and utilize their critical thinking and project management skills to support Sigma Chi's software, hardware, programming, analytics, and data center management. The IT intern will have the opportunity to perform hands-on application while developing their decision-making skills in planning, documentation, report writing and teamwork

Duties and Responsibilities

- Support the IT team in documenting and maintaining hardware, software, and other technology systems.
- Develop working relationships with IT specialists to provide and improve customer service utilizing our Helpdesk platform.
- Assist with client and member-based inquiries and assist in building database queries for departments.
- Participate in vendor calls and IT planning meetings providing regular input and suggestions.
- Attend the 2024 Krach Transformational Leadership Workshop. Date and location are TBD.
- Assist in other projects as assigned.

Requirements

- Current undergraduate or graduate member in good standing pursuing a bachelor's degree in Information Technology, Management Information Systems, or related field.
- Excellent customer service skills required.
- Strong analytical and problem-solving skills required.
- Strong attention to detail required.
- This can be either remote or hybrid with work out of the International Headquarters office in Evanston, Illinois, depending upon the intern's location and availability.
- Schedule will be a 10-hour week Monday through Friday between the hours of 9:00 am – 5:00 pm CT with exact hours being determined between the supervisor and the intern.

The above statements are intended to describe the general nature and level of work being performed. They are not intended to be an exhaustive list of all duties, responsibilities, and skills.
